New Materials: September 2018

New electronic books

**Biochemistry. Cell Biology and Genetics.**
- *Medical biochemistry*
  QU 4 B361m 2019 WEB  (Electronic Books)

**Communicable Diseases.**
- *Infectious diseases*
  WC 100 I43.6 2017 WEB  (Electronic Books)
- *Mims’ medical microbiology and immunology*
  WC 100 M489.5 2019 WEB  (Electronic Books)

**Education.**
- *How to study for standardized tests*
  LB 3060.57 S453h 2013 WEB  (*Internet Resource*)

**Ophthalmology.**
- *Drug-induced ocular side effects*
  WW 100 F845d 2015 WEB  (Electronic Books)

**Otolaryngology.**
- *Atlas of endoscopic sinus and skull base surgery*
  WV 17 A881 2019 WEB  (Electronic Books)

**Pharmacology.**
- *Brody's human pharmacology : molecular to clinical*
  QV 4 B864 2019 WEB  (Electronic Books)

**Practice of Medicine.**
- *Differential diagnosis of common complaints*
  WB 141.5 S467d 2018 WEB  (Electronic Books)

**Radiology. Diagnostic Imaging.**
  WN 208 E56 2019 WEB  (Electronic Books)

**Urogenital System.**
- *Comprehensive clinical nephrology*
  WJ 300 J68c 2019 WEB  (Electronic Books)

New electronic journals

**(Not classified)**
- *Journal of pastoral care & counseling : JPCC.*
  (Carpenter Library Electronic Journals)

  - *Physician assistant clinics.*
    (Carpenter Library Electronic Journals)

    (Carpenter Library Electronic Journals)

New electronic serial monographs

**(Not classified)**
- *ADP-ribosylation and NAD+ Utilizing Enzymes*  
  Springer Protocols  (Carpenter Library Electronic Journals)
New electronic theses

**General Medicine. Health Professions.**
- **AMP-activated protein kinase and its role in therapeutic response in acute myeloid leukemia**
  W 4 2018 WEB (Electronic Theses)
- **Atrial fibrillation, stroke and cognitive decline in the Reasons for Geographic And Racial Differences in Stroke (REGARDS) study**
  W 4 2018 WEB (Electronic Theses)
- **Dynamic functional connectivity networks: new analysis and interpretation strategies**
  W 4 2018 WEB (Electronic Theses)
- **Examining the association between sociodemographic factors, stress and mindfulness with migraine disability and migraine frequency in adults with migraines**
  W 4 2018 WEB (Electronic Theses)
- **Exploring interactions between attention and perception in saccadic eye movements and frontal eye field cell responses**
  W 4 2018 WEB (Electronic Theses)
- **Functionalization of a novel elastomeric biomaterial for vascular tissue engineering**
  W 4 2018 WEB (Electronic Theses)
- **Increasing computational efficiency of pre-crash simulations using detailed and simplified occupant models**
  W 4 2018 WEB (Electronic Theses)
- **Loco-regionally targeting interleukin-13 receptor alpha-2 and maximizing therapeutic access to glioblastomas using biomarker directed alpha particles**
  W 4 2018 WEB (Electronic Theses)
- **Role of oxidative stress in skeletal muscle regeneration**
  W 4 2018 WEB (Electronic Theses)
- **TREX1 DNase activity is regulated by phosphorylation and macrophages lacking TREX1 have impaired effereocytosis**
  W 4 2018 WEB (Electronic Theses)
- **Weight variability and LV mass change: the Multi-Ethnic Study of Atherosclerosis (MESA)**
  W 4 2018 WEB (Electronic Theses)
